Please note that where boats are required to release races in order to prioritise preparation for championship events, for boats where athletes are doubling up, then it will be expected that the athlete will not take up a place in another class (for example if a C2 crew release WC5 to focus on Worlds preparation, if they would be selected for WC5 in C1 then it would be expected that the C1 place would not be taken up).

Thanks are also due to all the spectators who turned out in their masses despite the cold weather to support the racing. The panel would again like to acknowledge Ken Trollope's assistance with the preparation and checking of the points tables throughout the selection series.

Finally the International panel would like to acknowledge the standard of racing across all of the classes and age groups with a full team selected for all four championship races.

Best wishes to everyone for a successful 2013 International season.
